

Nondiscrimination Policy

It is Skylands Pediatrics policy to provide medically appropriate treatment at all times, regardless of race, color, national origin, religion, gender, age, marital status, personal appearance, sexual orientation, veteran status, immigration status, or disability of the patient or the patient's parent(s) or guardian(s). At Skylands Pediatrics, we strive to provide optimal care for our patient's physical, mental and social health and well being; for all of our infants, children, adolescents and young adults.
